February 3, 2026

We as supplier certify that all Dynalene products conform to:

European Directive 2011/65/EU (RoHS2) and Commission Delegated Directive 2015/863/EU (RoHS3) on the restriction of the use of certain hazardous substances.

The restricted substances listed below are not ingredients in any Dynalene products, are not found in any Dynalene raw materials and have no potential source for their introduction during our blending processes.

Substance	% weight of homogenous material
Cadmium	<0.01%
Hexavalent Chromium	<0.1%
Lead	<0.1%
Mercury	<0.1%
Polybrominated Biphenyls, PBBs	<0.1%
Polybrominated Diphenylethers, PBDEs	<0.1%
Bis(2-ethylhexyl) phthalate, DEHP	<0.1%
Butyl benzyl phthalate, BBP	<0.1%
Dibutyl phthalate, DBP	<0.1%
Diisobutyl phthalate, DIBP	<0.1%
